## Seaside Construction

Pardon Our Mess!

The Irrigation work has started on Seaside. Phase I is moving materials from the enlarged pond area to various new teeing grounds. This will last two weeks. Phase II will be the actual installation of the new irrigation system. This will begin in November and be completed for 2008. Play should be ok for men on Seaside in Sept. and Oct. Ladies will want to play Newport as much as possible. Seaside's conditioning should be much improved next year.
