

# The Newport News

## **WINTER RULES**

During the months of December, January, and February, The Clubhouse, Golf Shop, and Tee Times open at 9am. We have a limited staff and the Kitchen will be closed until the end of February except for special events.

## **OCEAN CITY GOLF CLUB GOES GREEN!**

After a careful analysis of our trash content, it was determined that we have increased our garbage levels by 1/3 since giving away bottled water. Most of the additional trash is created by empty and partially empty plastic bottles. Surprisingly, cups and lids were also part of the increase. The Course has leased a couple of water purifiers that will be placed near the clubhouse and on-course bathroom. We are asking all members to bring a sport bottle with them to the course. We have some for sale. The course will provide ice and filtered water at no charge. If you absolutely need bottled water or cups etc ..., they will be available for purchase.
