## OCEAN CITY GOLF CLUB GOES GREEN!

After a careful analysis of our trash content, it was determined that we have increased our garbage levels by 1/3 since giving away bottled water. Most of the additional trash is created by empty and partially empty plastic bottles. Surprisingly, cups and lids were also part of the increase. The Course has leased a couple of water purifiers that will be placed near the clubhouse and on-course bathroom.

We are asking all members to bring a sport bottle with them to the course. We have some for sale. The course will provide ice and filtered water at no charge. If you absolutely need bottled water or cups etc .., they will be available for purchase.

**HELP US BE AN ENVIRONMENTAL FRIEND!**

**OCEAN CITY GOLF CLUB TURNS 50!**  
Memorial Day Weekend the Ocean City Golf Club marks 50 years of outstanding golf experiences. In celebration of 50 years, the course is having an anniversary golf tournament and luncheon. There will be guest speakers and a great time! It promises to be a day to remember! Cost is \$50. Call the Golf Shop for details. Space is limited.

## **Ladies Trunk Show this Week!**

Footjoy will be here this week with 25% off all items purchased from Thursday thru Sunday. Pick up birthday presents or just something nice for yourself.

## **MGA has begun!**

MGA starts the 28<sup>th</sup> of March! Remember all monies are paid out each week. You don't have play each MGA to benefit. Play when you can!

## **Pray for Miss IDA!**

Ida Cropper will have heart surgery in early April. We expect to see her again at work this Summer. Good Luck Ida!
